Theta Mathematics Workbook spreadsheets

These spreadsheets are Microsoft Excel worksheets. Each spreadsheet can either be opened and run, or saved to any location on your computer or network.

Simulations/interactive

144 Normal probability calculator.xls
148 Inverse normal calculator.xls
150 Championship tennis simulation.xls
150 Championship tennis simulation (Answers).xls
152 Lotto simulation.xls
152 Different birthdays simulation (Answers).xls
153 Air-conditioning simulation (Answers).xls
153 Petrol refill times simulation (Answers).xls
192 Normal probability calculator.xls

Data sets

147 Year 12 Arm lengths.xls

Answers

68 Heron's formula (Answers).xls
70 Kidney-shaped pool (Answers).xls
86 Heterosquare (Answers).xls
147 Year 12 Arm lengths (Answers).xls
150 Championship tennis simulation (Answers).xls
152 Different birthdays simulation (Answers).xls
153 Air-conditioning simulation (Answers).xls
153 Petrol refill times simulation (Answers).xls
177 Heron's formula (Answers).xls
177 Kidney-shaped pool (Answers).xls
179 Heterosquare (Answers).xls
188 Year 12 Arm lengths (Answers).xls
189 Championship tennis simulation (Answers).xls
189 Different birthdays simulation (Answers).xls
189 Air-conditioning simulation (Answers).xls
189 Petrol refill times simulation (Answers).xls
